

time specified in the account agreement and a balance in a fixed repayment feature where the required minimum payment for this fixed repayment feature will amortize that balance in a fixed amount of time specified in the account agreement which is less than 36 months.

(ii) *Negative or no amortization.* If negative or no amortization occurs when calculating the minimum payment repayment estimate as described in appendix M1 of this part, a card issuer must provide the following disclosures on the periodic statement instead of the disclosures set forth in paragraph (b)(12)(i) of this section:

(A) The following statement: “Minimum Payment Warning: Even if you make no more charges using this card, if you make only the minimum payment each month we estimate you will never pay off the balance shown on this statement because your payment will be less than the interest charged each month”;

(B) The following statement: “If you make more than the minimum payment each period, you will pay less in interest and pay off your balance sooner”;

(C) The estimated monthly payment for repayment in 36 months, as described in appendix M1 to this part. The estimated monthly payment for repayment in 36 months must be rounded either to the nearest whole dollar or to the nearest cent, at the issuer’s option;

(D) A statement that the card issuer estimates that the consumer will repay the outstanding balance shown on the periodic statement in 3 years if the consumer pays the estimated monthly payment each month for 3 years; and

(E) A toll-free telephone number where the consumer may obtain from the card issuer information about credit counseling services consistent with paragraph (b)(12)(iv) of this section.

(13) *Format requirements.* The due date required by paragraph (b)(11) of this section shall be disclosed on the front of the first page of the periodic statement. The amount of the late payment fee and the annual percentage rate(s) required by paragraph (b)(11) of this section shall be stated in close proximity to the due date. The ending bal-

ance required by paragraph (b)(10) of this section and the disclosures required by paragraph (b)(12) of this section shall be disclosed closely proximate to the minimum payment due. The due date, late payment fee and annual percentage rate, ending balance, minimum payment due, and disclosures required by paragraph (b)(12) of this section shall be grouped together. Sample G-18(D) in appendix G to this part sets forth an example of how these terms may be grouped.

(14) *Deferred interest or similar transactions.* For accounts with an outstanding balance subject to a deferred interest or similar program, the date by which that outstanding balance must be paid in full in order to avoid the obligation to pay finance charges on such balance must be disclosed on the front of any page of each periodic statement issued during the deferred interest period beginning with the first periodic statement issued during the deferred interest period that reflects the deferred interest or similar transaction. The disclosure provided pursuant to this paragraph must be substantially similar to Sample G-18(H) in appendix G to this part.

§ 226.8 Identifying transactions on periodic statements.

The creditor shall identify credit transactions on or with the first periodic statement that reflects the transaction by furnishing the following information, as applicable.¹⁶

(a) *Sale credit.* (1) Except as provided in paragraph (a)(2) of this section, for each credit transaction involving the sale of property or services, the creditor must disclose the amount and date of the transaction, and either:

(i) A brief identification¹⁷ of the property or services purchased, for creditors and sellers that are the same or related;¹⁸ or

(ii) The seller’s name; and the city and state or foreign country where the

transaction took place.¹⁹ The creditor may omit the address or provide any suitable designation that helps the consumer to identify the transaction when the transaction took place at a location that is not fixed; took place in the consumer's home; or was a mail, Internet, or telephone order.

(2) Creditors need not comply with paragraph (a)(1) of this section if an actual copy of the receipt or other credit document is provided with the first periodic statement reflecting the transaction, and the amount of the transaction and either the date of the transaction to the consumer's account or the date of debiting the transaction are disclosed on the copy or on the periodic statement.

(b) *Nonsale credit.* For each credit transaction not involving the sale of property or services, the creditor must disclose a brief identification of the transaction;²⁰ the amount of the transaction; and at least one of the following dates: The date of the transaction, the date the transaction was debited to the consumer's account, or, if the consumer signed the credit document, the date appearing on the document. If an actual copy of the receipt or other credit document is provided and that copy shows the amount and at least one of the specified dates, the brief identification may be omitted.

(c) *Alternative creditor procedures; consumer inquiries for clarification or documentation.* The following procedures apply to creditors that treat an inquiry for clarification or documentation as a notice of a billing error, including correcting the account in accordance with § 226.13(e):

(1) Failure to disclose the information required by paragraphs (a) and (b) of this section is not a failure to comply with the regulation, provided that the creditor also maintains procedures reasonably designed to obtain and provide the information. This applies to transactions that take place outside a state, as defined in § 226.2(a)(26), whether or not the creditor maintains procedures reasonably adapted to obtain the required information.

(2) As an alternative to the brief identification for sale or nonsale credit, the creditor may disclose a number or symbol that also appears on the receipt or other credit document given to the consumer, if the number or symbol reasonably identifies that transaction with that creditor.

§ 226.9 Subsequent disclosure requirements.

(a) *Furnishing statement of billing rights—(1) Annual statement.* The creditor shall mail or deliver the billing rights statement required by § 226.6(a)(5) and (b)(5)(iii) at least once per calendar year, at intervals of not less than 6 months nor more than 18 months, either to all consumers or to each consumer entitled to receive a periodic statement under § 226.5(b)(2) for any one billing cycle.

(2) *Alternative summary statement.* As an alternative to paragraph (a)(1) of this section, the creditor may mail or deliver, on or with each periodic statement, a statement substantially similar to Model Form G-4 or Model Form G-4(A) in appendix G to this part, as applicable. Creditors offering home-equity plans subject to the requirements of § 226.5b may use either Model Form, at their option.

(b) *Disclosures for supplemental credit access devices and additional features.* (1) If a creditor, within 30 days after mailing or delivering the account-opening disclosures under § 226.6(a)(1) or (b)(3)(ii)(A), as applicable, adds a credit feature to the consumer's account or mails or delivers to the consumer a credit access device, including but not limited to checks that access a credit card account, for which the finance charge terms are the same as those previously disclosed, no additional disclosures are necessary. Except as provided in paragraph (b)(3) of this section, after 30 days, if the creditor adds a credit feature or furnishes a credit access device (other than as a renewal, resupply, or the original issuance of a credit card) on the same finance charge terms, the creditor shall disclose, before the consumer uses the feature or device for the first time, that it is for use in obtaining credit under the terms previously disclosed.
